

# Portuguese Economic and Food Safety Authority

## African Food Regulatory Authorities Forum 1<sup>st</sup> meeting Introduction to ASAE

# WHAT IS ASAE?

## Economic and Food Safety Authority

- Food and Non-food sectors
- Police Authority

# DUAL ACTION

## **REACTIVE** (UNPLANNED CONTROLS)

Planning based on complaints and reports in specific situations detected on the ground and/or in collaboration with other authorities

## **PROACTIVE** (PLANNED CONTROLS)

Operational activity planned in accordance with technical, legislative and procedural priorities. The actions are generally determined at central official control programs/inspection procedures
